RIDGE VIEW
HIGH SCHOOL

2018-2019

BAND HANDBOOK

Dear Blazer Band Students & Parents:

Welcome to the 2018-2019 Ridge View High School Band program! As a part of this organization not only will you play music, but you will also grow and become a part of a special group of students who represent Ridge View High School & Richland School District Two.

Everyone needs to read the information in this handbook, including veterans, so that you are informed. For those new to the program, this handbook is what keeps the program running smoothly and efficiently. Most questions can be answered by consulting the handbook, and protocols will be adjusted from year to year as the need arises to clarify issues within the program. Upon reading, all students are required to sign and return the Letter of Mutual Consent, Medical forms, and Trip Permission Form at the beginning of band camp. Failure to turn in these forms by the beginning of full band camp may result in you not being able to travel with the band to events and/or dismissal from the band program.

We are looking forward to this year's opportunities and possibilities. This year's student and professional staff are highly qualified and will help take this program to the next level of success. All parents are encouraged to be active in the program through the Band Parent Organization, pit crew, fundraising activities, and supporting the band at competitions and concerts. Championship level bands start with championship level parental support at home and school.

To be successful in this program, I suggest being on time, taking pride in yourself and this organization, getting involved in ensembles and student leadership, practicing outside of school, and respecting others. Remember that band is not about one person; it takes everyone's involvement 100% of the time. If we all work together, we can achieve greatness.

Sincerely,

A handwritten signature in black ink that reads "Dustin King". The signature is written in a cursive style with a large, stylized 'D' and 'K'.

Dustin King
Director of Bands
Ridge View High School

ATTENDANCE

100% attendance is vital to the entire band's success. Every person is important, and the entire band suffers when even one person is not there. Band Camp, mini-camp, after-school rehearsals and performances are **REQUIRED!** The following procedures are in place for all after-school rehearsals so please read them carefully.

Tardiness

We understand that you will be involved in activities outside of band and will have other school commitments. You must understand that these activities are NOT excused. Rehearsals will begin on time! For each minute that a member is tardy, a consequence will be invoked. After school detention and/or tutoring is not excused.

Absences

The following is a list of excused and unexcused absences for the entire year. If you are absent, you must have a note signed by a parent by THE NEXT PRACTICE. All appointments (doctor, orthodontist, hair, nails, pet appointments, make-up tests, etc.) should be scheduled on the day we don't have practice (Wednesday). Start planning now! I know appointments are tough to schedule this way, but it can be done!

Unexcused:

Doctor/Dentist/Orthodontist/etc. appointments; Work; Attended school, but not practice; Driving school; Social events of any kind; Marriage or death of non-relatives.

Excused (with a note):

Personal illness (with a parent contact); an emergency conflict that you have approved with the director in advance; Marriage or death in immediate family; Student observation of religious holidays of the student's faith

For ALL absences, the following procedure must be followed by the student and parent:

1. Director must be notified via email or phone call.
2. For illness, a parent note or doctor's excuse must be submitted the next time a student is present.

-If a Marching Band rehearsal is missed for an unexcused reason, the member will not be allowed to attend the next performance. If this occurs a second time, the member may be assigned to an alternate spot or permanently dismissed from the ensemble.

-If a Marching Band performance (ex. Football game, mini camp, competition, parade) is missed for an unexcused reason, the student will receive a zero (0) for the performance grade and will be assigned to an alternate spot. If a second performance is missed for an unexcused reason, the student will be removed from the ensemble immediately.

-If a student misses a Concert performance for an unexcused reason, the student will receive a zero (0) for the performance grade. If a second performance is missed for an unexcused reason, the student will be removed from the ensemble immediately.

-The band director reserves the right to grade attendance at all band events.

GRADING

Symphonic Band/Wind Ensemble grades are weighted as Music = 40%; Class Preparation=10%; and Performances = 50%.

Marching Band grades are weighted as Music = 40%; Football Games = 10%; Contests = 40%; Uniform cleaning/maintenance=10%.

Tutoring will be available during lunch and before/after school as the director is available.

ALTERNATE SYSTEM

The director reserves the right to implement an alternate system as the need arises to deal with discipline issues, excessive absences, and to ensure that every spot in the drill is filled for performances. If a student is chosen as an alternate, they must be at all rehearsals and performances! Alternates will play a role in the competition show as actors, prop controllers, etc. In addition, they will participate in all football related activities including pregame and stadium playing.

DISCIPLINE

In order to maintain discipline in the band program, you must exhibit the following qualities at all times:

- Common sense
- Self-respect
- Respect for others
- Respect for authority

You are here because you chose to be in band so if someone becomes a discipline problem, he or she will be removed. Individual problems will be dealt with at the discretion of the director. Every student will be treated equally when it comes to disciplinary action. No student is more important than another, thus the director's expectations are for every band member regardless of seniority, rank in leadership, race, gender, or socio-economic status. We are a family and we must look out for one another and respect each other regardless if you "like" them or not. All school and district rules apply.

PARENT'S RESPONSIBILITIES TO THE BAND

It is the responsibility of every parent and guardian to see that the protocols outlined in the handbook are followed and that the forms in the back are signed and returned. Each parent is responsible for the attendance of his/her child at all band functions. It is the responsibility of each parent to see that their child practices his/her instrument daily (at least 30 minutes). The hands of the directors are tied without the help of parents. When a "band question" arises, it is important that you follow the chain of command by reaching out to the band director first. 99% of the time any issue that you have can be resolved by communicating directly with the band director. Please do not go directly to the school's administration whenever you have a concern or there is an issue; reach out to the band director first.

VOLUNTEER HOURS

The Bands of Ridge View HS is an active band program with many moving parts. In order for our program to run smoothly and efficiently, we need band family service power. This year, we ask that each family of a band member volunteer at least 20 hours to the band this school year. There are several ways to volunteer to help our band, including, but not limited to, attending BPO monthly meetings, fundraiser distribution/organization, chaperoning, props & equipment, Tournament of Bands, uniforms (fitting, altering, etc.), prepping/serving meals, assisting Mr. King during the school day, and much more! Jump in where you feel like your talents can be best put to use. Volunteer opportunities will be communicated to you via the band director or a member of the BPO executive board. A volunteer log is included at the end of this handbook to help you keep track of the time you have spent volunteering.

FUNDRAISING

All band members are expected to help in fundraising so that the band program remains in good financial standing, as we simply cannot have the type of program we desire with district funds alone. Every band student has a fundraising fee of \$350 that is to be met by April 26, 2019. Students that participate in fundraisers will be able to meet this amount based on the profit they make each fundraiser (not the total amount they sell). *For example, is a student sells \$400 in fruit and the amount that the band gets to keep is \$200, then the \$200 will go towards the fundraising fee.* Students that do not wish to participate in fundraisers can simply pay \$350 out of pocket. Reminder that any unpaid fees will be forwarded to the front office after 4/26/19 to be put on the student's school account.

CAMPS

MARCHING BAND: Rookie Camps (1st year members) & Full Band Camp

All percussion and colorguard members will have camp one week in July. These camps are mandatory for all members, wherein choreography and music will be learned. Wind rookies (1st year marchers) will be required to come to rookie camp in July. They will learn marching fundamentals, show music, and drill chart reading. Full Band Camp is held in late July/early August. Camp is required of all students in the band. Attendance is MANDATORY and will be graded.

WINTER CONCERT BAND CAMP: Symphonic Band and Wind Ensemble members are required to attend Winter Concert Band Camp in late January/early February as we prepare for our annual state concert performance assessment.

INSTRUMENT RENTAL

Each student who uses a school-owned instrument is completely responsible for the care of the instrument once it has been checked out to you. If an instrument is damaged due to negligence, the student is responsible for the entire cost to repair/replace.

MARCHING BAND UNIFORMS

Shoes, gloves, and uniforms will be sized/purchased during band camp. The instrumentalists' uniforms will be cleaned at home by the band members after every performance; if a uniform requires extra cleaning or repair, the student will be charged. We expect the students to do their best to take care of their uniforms and make sure they have everything they need when they arrive at a band event. Parts of the uniform are white and can get dirty very easily, so students must take extra care by not brushing/leaning on anything and cannot have food or drink near the uniform at any time.

THE UNIFORM IS TO BE WORN PROPERLY AT ALL TIMES!

You must be in full uniform for all band performances unless otherwise instructed. This will allow you to feel proud and to make a good impression when you are out in the public eye. Moreover, the band is judged and scored on appearance in all competitions. Each marcher must wear the uniform correctly. A complete inspection will be done before every performance by Mr. King, student leadership member, or a parent.

1. Clean gloves, polished shoes, a shiny instrument and well-maintained equipment are required.
2. Your hat must be worn on the top of your head, slightly forward, so the bill is just above the eyebrows and the strap are firmly fastened under the chin.
3. All hair must be securely inside the hat or short enough that it does not touch the collar of the jacket. In addition, your hair must meet the following guidelines:
Girls: Hair must be a natural color (no red, blue, green, purple, etc); all hair must be securely inside the hat or short enough that it does not touch the collar of the uniform jacket; for colorguard your hair must be completely natural so that it can be styled the same way for everyone. For those in colorguard you may be asked to style your hair a certain way so that the group matches from person to person.
Boys: Hair must be cut so that all hair fits inside the hat and does not touch the collar; hair must be a natural color (no red, blue, green, purple, etc.).
4. No facial hair, make-up around the neck/throat area, or jewelry is permitted. All earrings and other piercings must be removed or covered with a band-aid.
5. You must wear a band t-shirt under your jacket (no sleeveless tanks).
6. Shorts must be worn under the uniforms.
7. Hems **MUST NOT** drag on the ground. Tell a band parent **IMMEDIATELY** if your hem needs adjustment.
8. Plain black crew socks are required for all performances. "Shortie" socks are not acceptable. Socks are not supplied by the uniform committee. All band members must wear "Drill Master" marching shoes.
9. Band students (except percussion) wear gloves which are ordered during band camp. Please make plans to buy at least three pairs of gloves for the entire season. Clarinets & flutes may cut the finger tips out of their gloves. Extra gloves are available for \$4.

ALL students will need to have a pair of dress khaki shorts (no cargo or cut offs), white low top tennis shoes, white socks (may be low cut), and a brown belt for the summer uniform to be worn at early performances and football games.

ALL first year marchers will need to purchase a pair of black marching band shoes. Kathy Pickens will be at camp to fit students for shoes. For all new students the cost of these shoes is included in your band fees. If a veteran needs to purchase a pair of shoes, the cost is \$40.

ALL new guard members will purchase a gloves and shoes for the competition show. In addition make-up will be purchased to compliment the costumes. The items needed to be ordered will be determined during the first few days of summer camp.

If there is an emergency and you will take longer than 30 minutes to pick up your child(ren), please let the director know as soon as possible. Each band member is required to ride the bus to and from each event. A parent must make requests for exceptions to this rule with the director in advance. While on the bus, the chaperone & bus driver are in direct charge. You must observe all rules in order to assure a safe trip. These rules include:

- Keep the bus clean; pick up and properly dispose of all trash.
- Maintain silence at railroad crossings.
- Please lower the volume level considerably when entering towns or stadiums.
This is for your safety, is courteous to the bus driver, and an act of class!

- If a conversation can be heard in the front of the bus, it is TOO LOUD!
- There will be no hanging out of or talking out of bus windows.
- Stay seated while the bus is moving.
- Do not board or load equipment on the bus until asked to do so.
- Stay on the bus until asked to unload.
- Leave windows up when exiting the bus.
- **ALL MEMBERS MUST TRAVEL WITH THE BAND TO ALL ENGAGEMENTS!**
- Please keep the bus clean; pick up after yourselves and always thank the chaperones and driver!
- Band members must not play instruments near unloading area.
- Each bus will be divided by gender, boys in the front and girls in the back.
- **REMEMBER that anytime the band makes a trip that we are not only representing our organization, but Ridge View High School and the community.**

**The Ridge View Band Parent Organization and Ridge View High School will NOT be held liable for any lost, damaged, or stolen valuables.*

AUDITIONS/CHAIR PLACEMENT

If necessary, marching band placement auditions will occur during the first week of full band camp. Students will be judged by the band staff on their ability to play scales and parts of the show music. Symphonic Band & Wind Ensemble auditions take place in the Spring to determine the appropriate band class for the following school year. At the beginning of the school year each ensemble will test for chair placements for the semester, with a second chair placement test at the beginning of the second semester. Auditions and chair placement tests are based on the SCBDA All State Band auditions, and are done via a blind audition by the director. The decision of the director is final.

BAND AWARDS

At the end of the academic school year, the RVHS band program will host their Band Banquet & Awards Ceremony. This event is an opportunity to celebrate the accomplishments of the band students and the ensembles they are a part of. *In order to receive your senior award, you must be an active member of the band program (in both fall and spring) all 8 semesters of your high school career.
